

## Sports Premium Overview

At Tinsley Meadows Primary Academy we believe PE & Sports plays a significant role in helping developing healthy and active children, with the potential to change young people's lives for the better.

The school welcomed the Government's decision in June 2013 to provide extra funding to develop provision of Physical Education (PE) and Sport in primary schools. In PE we want to inspire children to participate in and enjoy physical education and sport. Through physical activity we aim to improve health and well-being, to promote active participation and develop high self-esteem and high expectations within every child.

Funding for schools is calculated by the number of primary aged pupils at the annual census in January of each year.

### Evaluation of Spending 2015-16

#### **Physical Education – amount spent £12908**

- 4 teach first teachers and 1 NQT were given support, taking part in a team teaching model to develop their PE teaching strategies.
- All members of staff were able to take part in a gymnastic twilight to improve their knowledge and quality of gymnastic lessons.
- All teachers took part in a Real PE inset day to develop their understanding and confidence in teaching the Real PE scheme of work.
- Raised the number of children achieving the National Curriculum Level of 25m.
- Purchased additional equipment to enhance PE lessons.

#### **Healthy Active Lifestyles – amount spent £1785**

- All children took part in healthy lifestyle workshops provided by outside coaches.
- Provided a group of children with a sporting opportunity they would normally not engage in and raise profile of a facility close to the school (Ice Sheffield) which parents can access.

#### **Competitive School Sports – amount spent £2750**

- Over 200 children attended additional sports club, most of which had waiting lists.
- Feedback from lunchtime staff and parents indicated increased level of self-esteem and improved fitness levels.
- Children from a variety of year groups took part in a number of competitions organised by Arches Sports Partnership.

- The school produced some brilliant displays in competitions which led to them winning the Arches Dodgeball competition and the U11 Raynor Cricket competition for the first time in 18 years.
- The school was successful in gaining the Silver School Games Mark.

### Planned Sports Premium Spending 2016-17

<b>Tinsley Primary Meadows Academy</b>	
Total Number of Pupils on Roll (2016-17)	659

We are still exploring a number of other activities to use the remaining Sports Premium £1238.13 and the options are: provision for a sports coach at a summer school, rewards for children who show participation in PE lesson in order to encourage greater engagement and the possibility of holding the school sports day at an alternative venue (the plan will be updated as soon as these activities are finalised).

### **Future Plans**

We plan to evaluate the impact of how we have used our Sport Premium allocation. If the impact is positive we will continue to use the money in a similar way to improve the quality of provision.

In the future, we plan to:

- Continue to provide and develop extra-curricular clubs during after school and lunchtime.
- Continue to fund extra-curricular costs for those children who are disadvantaged.
- Provide further CPD opportunities for staff.
- Set up a holiday club for children to engage in physical activity outside term time.
- Set up a reward and recognition system to encourage more participation from children in PE lessons
