## Advice to Parents/Carers about making a complaint

If you have comments or concerns please let your school know. A common fear is that the school's relationship with you and your child/children will be affected if you express dissatisfaction. However, by having an effective complaints procedure, problems can be minimised, and complaints can be treated as constructive suggestions to improve standards and prevent cause for further complaint.

The definition of a complaint within the terms of the procedures referred to here is 'an expression of dissatisfaction by parents or carers of children who attend a school which is part of Five Rivers Multi Academy Trust, or from neighbours of the school or school community affected by the services the school provides'.

### 1. What to do first

Many concerns arise from misunderstandings and are best dealt with positively in discussion with the staff at the school. This is best done by speaking with your child's class or form teacher. All staff will make every effort to resolve your concern quickly and informally. They will make sure that they understand what you feel went wrong and they will explain their own actions to you. They will ask what you would like the school to do to put things right. Of course, this does not necessarily mean that in every instance they will agree with your point of view but the response should help both you and the school to understand both viewpoints. It may also prevent a similar problem arising in the future.

### 2. What to do next

Should you remain dissatisfied with the teacher's initial response, you can make a complaint to the Principal/Head of School. This is best done in writing or by making an appointment to discuss the problem. The Principal/Head of School will ask to meet with you for a discussion of the problem and you may take a friend or someone else with you if you wish.

The Principal/Head of School will conduct a full investigation of your complaint and may interview members of staff or pupils involved. You will then receive a written response to your complaint. This will hopefully resolve the matter. However, should you remain dissatisfied, the Principal/Head of School should give you details on ways to take matters further. Principals/Heads of School will also make the Trust aware of all formal complaints received.

### 3. If you are still unhappy

If you are still not satisfied, you may wish to contact the Chair of the Trust Board and request that they look again at your complaint and the Principal/Head of School's response. This should be done in writing, addressed to the Chair, c/o Tinsley Meadows Primary Academy, Norborough Road, Sheffield S9 1SG, or by email to [enquiries@fiveriversmat.uk](mailto:enquiries@fiveriversmat.uk). The Trust Board will seek to clarify your concerns and

undertake their own independent investigation; this may well involve speaking with members of staff and others. Once their investigation has been concluded, you will then receive a written response to your complaint. This will hopefully resolve the matter.

### **Education Funding Agency**

If you feel that your complaint has not been resolved satisfactorily by the academy's trustees, you can make your complaint to the School Complaints Team at the Department for Education, who will refer it to the Education & Skills Funding Agency.

The Education & Skills Funding Agency is the arm of the Department for Education which oversees academies. However, you must make your complaint in writing in the first instance to the Chair of the Trust Board as above.

### **Is there a time limit for complaining?**

You should complain to the school as soon as possible and certainly within three months. If you do not contact the school within that time, normally no further action will be taken in respect of your complaint. However, any exceptional reasons you may give for not meeting this time limit will always be taken into account and any decision to hear a complaint after this time will be at the discretion of the Chair of the Trust Board.

### **Dealing with Unreasonably Persistent Complainants and Vexatious Complaints**

The Principal/Head of School and Trust Board are fully committed to the improvement of the school. Feedback from parents and carers is welcomed and schools will always do their utmost to resolve any that are brought to their attention as quickly as possible. The formal procedure for parents and carers should always be followed should you wish to make a complaint.

Occasionally, however, parents and carers in raising issues with staff or others do so in a way that is unacceptable. Whilst it is recognised that some complaints may well relate to what are considered serious and distressing incidents, threatening or harassing behaviour towards any members of the school community, be this staff, parents, pupils or others, will not be tolerated. The schools will always seek to work in a positive way with parents, carers and others to resolve complaints at the earliest opportunity.

## **Guidance on Making a Complaint**

**Try to resolve issues with the school informally at first. If matters are not resolved to your satisfaction you can make a formal complaint, however, at all times, please remember that matters can often be dealt with more easily if you bear in mind the following:**

- **Speak to the right person**

Try to speak with the member of staff best able to advise you and best able to deal with your concerns. This is often your child's class teacher in the first instance. If they are unable to deal with an issue immediately they may suggest making an appointment at a more convenient time for both parties to discuss matters more thoroughly.

- **Be courteous**

Conduct yourself in a professional manner and try to discuss your concerns in a calm but firm manner. Try to understand the other person's point of view and do not present yourself in an aggressive manner.

- **Say who you are**

If you are unknown to the member of staff, introduce yourself.

- **Ask for the member of staff's name and use it**

If the member of staff you first approach is unable to deal with the matter ask for the name of the member of the school's staff who will be able to assist you.

- **Take your time to explain exactly what the issues are**

It is often easy to forget to give all the details of your concern, particularly if you are upset or annoyed. You may wish to write a list of the issues you need to discuss before you approach school.

- **Stay cool and calm**

Do not argue with the member of staff who receives your complaint. Be polite and respectful. Try to be clear about exactly what it is that you believe the issue to be.

- **Check you are being understood**

Make certain that the member of staff understands what you are saying and what the issue is that has given rise to your concerns.

- **Don't rush**

Take your time. Try to explain to school what your concern is and more importantly what you would like school to do to resolve this. Try to ensure the school understand your viewpoint before demanding a solution or suggesting the next step.
