

Holiday Activity Grid

D&T

Design and make your own board-game.

What are the rules of your game?

How do you win?

How many players does your game have?

Are there any special features?

Geography

Draw a map of your garden, put some treasure (e.g. a small box with a few treats) somewhere in your garden and mark it on your map. Invite your family to find the treasure.

Could your family follow the map you created?

Maths

Challenge one of your family members to a times table battle.

Who can answer the most questions in 1 minute?

How many different times-tables can you remember off by heart?

Reading

Read a book off Oxford Reading Owl or a book you have at home and write a review for the book.

What was the book about?

Did you enjoy the book?

Can you describe the characters?

Would you recommend this book to a friend?

Why?

Art

Can you make a rock creature?

Look for a pebble or stone and then paint it to look like a mini-beast or an animal. Or paint a picture on your pebble or stone.

Writing

Keep a diary of your day.

Remember the features of a diary:

- Emotive language
- First person
- Past tense

Holiday Activity Grid

D&T

Design and cook a healthy meal with your family.

Think about what healthy food to cook. Think about making your meal balanced with protein dairy, carbohydrates etc
Can you write instructions for you to follow to cook your meal?
Take pictures of your meal when it is cooked.

P.E

Set up personal sports challenges at home.

How many times can you throw and catch a ball in a minute?
How many times can you catch a ball with one hand in a minute?
How many laps of your garden can you run in a minute?
How many star jumps can you do in 20 seconds?

Explore

Go on a scavenger hunt.

Think about the place you'll be going to for your scavenger hunt and what you might find there. Make a note of the different colours you see.

What about your other senses? Think about the different textures, smells and sounds you could discover. Could you seek out a prickly pine needle, a sweet-smelling honeysuckle or a honking goose? Take a bucket or empty egg box and collect a stash of leaves, shells, fossils, feathers and sticks. Or maybe you could hunt for signs of animals instead. Can you find a slug trail, a deer track or a bird's nest?

Art

Create some wild art. It could be 2D or 3D.

Things that you could use (there's simply too much to list here, so this is just to get you started):

- leaves
- twigs
- feathers
- seeds
- pine cones
- seed pods
- grasses or flowers
- pebbles
- mud
- paper
- glue
